Disclaimer

1. Unless provided otherwise in this Disclaimer, the information in this mobile application (the "EV Charger(HK) App") is provided to you on an "AS IS"; basis without any express or implied warranty, statement or representation of any kind and is provided for a general, indicative purpose only. In particular, the Government of the Hong Kong Special Administrative Region (including its servants and agents) (the "Government") does not make any express or implied warranty, statement or representation as to the accuracy, completeness, reliability, security, timeliness, fitness for a particular purpose, non-infringement and freedom from computer virus in relation to such information. The Government will not be liable for any errors in, omissions from, or misstatements or misrepresentations (whether express or implied) concerning any such information, and will not have or accept any liability (including liability for negligence), obligation or responsibility whatsoever for any loss, damage or injury (including without limitation consequential loss, damage or injury [including death]) however arising from or in respect of any use or misuse of or reliance on the information delivered in the EV Charger (HK) App or inability to use the EV Charger (HK) App.

2. The EV Charger (HK) App contains material contributed by third parties. To facilitate access to information provided by or via third parties, the EV Charger (HK) App may provide or assist in providing links to external websites. The Government states that it has not approved or endorsed the materials contributed by third parties in the EV Charger (HK) App or any linked external websites. The provision of any such materials or links to external websites shall not constitute any form of co-operation or affiliation with the Government of any such third parties or external websites. Provision of, or assistance in providing, materials contributed by third parties in the EV Charger (HK) App or links to external websites gives rise to no statement, representation or warranty, express or implied, that the Government agrees or does not disagree with the contents of any such materials or external websites and the Government will not have or accept any liability (including liability for negligence), obligation or responsibility whatsoever for any loss, destruction or damage (including without limitation consequential loss, destruction or damage) however arising from or in respect of any use or misuse of or reliance on the contents of any such materials or external websites delivered in or via the EV Charger (HK) App or inability to use any of them.

3. The Government is not responsible for any loss or damages whatsoever arising out of or in connection with any information in the EV Charger (HK) App. The Government reserves the right to omit, suspend or edit all information compiled by the Government in the EV Charger (HK) App at any time in its sole discretion without giving any reason or prior notice. You are responsible for making your own assessment of all information contained in the EV Charger (HK) App and shall verify such information by making reference, for example, to original publications and obtaining independent advice before acting upon it.

4. The EV Charger (HK) App supports the reception of Government information through Google Firebase Cloud Messaging for Android (FCM). As FCM is a service provided by Google, the Government does not guarantee the successful reception of Government information and alerts through FCM services.

5. The EV Charger (HK) App will save in data server your settings on the reception of Government information through FCM services. However, no data about your personal information will be saved.
6. Although the EV Charger (HK) App is a free application, data usage will be required and charged by mobile network service provider(s). These charges can become very expensive on roaming. Please ensure that the option of "Data Roaming" has been disabled in the Settings of your mobile device. The Government will not have or accept any liability (including liability for negligence), obligation or responsibility whatsoever for any payment to third party however arising from or in respect of any use of data service for the EV Charger (HK) App.
7. The EV Charger (HK) App would occasionally disseminate alerts related to the updates and maintenance of this service through the FCM service provided by Google.
8. The EV Charger (HK) APP would retain notification messages on servers for 60 days after publishing for the conduct of statistical analysis.
9. By using the EV Charger (HK) App, you unconditionally agree to the terms of this Disclaimer and as they may be modified and/or supplemented from time to time by the Government without prior notice to you. Please check this Disclaimer regularly for any modifications and/or supplements which may be made.
10. The EV Charger (HK) App can be run on mobile phones with iPhone OS 11 or later version, and Android 8.0 or later versions.

Privacy Policy

1. The Government of the Hong Kong Special Administrative Region (including its servants and agents) ("the Government") takes measures to ensure that all personal data submitted through this mobile App (the "EV Charger (HK) App") is handled in accordance with the relevant provisions of the Personal Data (Privacy) Ordinance.
2. The Government will record visits to the EV Charger (HK) App without collecting any personal identifiable information from users. Such general statistics are collected to compile statistical reports and diagnose problems with, or concerning, computer systems to help improve the EV Charger (HK) App.
3. To provide location-based electric vehicle charger availability information, the EV Charger (HK) App would get user's location and present data that is most relevant to the user by retrieving information from servers of the EPD or its agents and Google Maps/GeoInfo Map. User's locations would not be transmitted out from the EV Charger (HK) App.
4. For different purposes and at different times you may be invited to provide personal data to the Government through this application on a voluntary basis. Personal information may include your name or e-mail address. The Government will specify the collection purpose and intended usage of your data when it invites you to provide such information and advise you how you may request access to or correction of the personal data provided.
5. The EV Charger (HK) App supports sharing of some information via third party service providers ("Share" function). If you use the "Share" function of the EV Charger (HK) App, please refer to the privacy policy of the corresponding service providers.
